Sub Survey Town - Bellary town - Notices under Section 9(2) of the Survey Boundaries Act - Delay in service by the Tahsildar Bellary - Appointment of a Special Process Server recommended.

--

There are still 14 wards in which the Tahsildar, Bellary, has to serve Section 9(2) notices under the S.B.Act for validating the Town Survey. The Tahsildar is at present experiencing considerable difficulty for getting these notices served promptly. As there are many houses in each ward, the village officers are not able to serve these notices promptly on the several house owners besides attending to their regular duties, and hence the Tahsildar has to obtain extensions of time for the return of the notices from the Range Officer, Chittoor.

In order to get these notices served properly and promptly the appointment of a Special Process Server for two months on a pay of Rs.12 per month is recommended. This Process Server will be asked to attend to the service of these notices under the supervision of the village officers and Tahsildar, Bellary. The Range Officer, Chittoor, has promised to allot necessary funds to meet the charges on account of the employment of this process server. Copy of letter No.L.Dis.2601/42 dated 27-11-42 received from the Range Officer, Chittoor, suggesting the employment of the process server is enclosed. I request the Board may be addressed to sanction the employment of one process server for Bellary Town for two months.

Copy of the letter L.Dis.2601/42 dated 27-11-42 from the Officer-in charge, Survey and Land Records, North Western Range, Chittoor to the Revenue Divisional Officer, Bellary.

Sub Survey - Town Survey (Bellary) Bellary town - Notices under Section 9(2) Madras Survey and Boundaries Act - delay in service Extension of time - Tahsildar's report -appointment of a process server - suggested.

Ref: Report of the Tahsildar, Bellary, R.C.1819/42 B4 d.18-11-42.

There are on this date 14 wards with the Tahsildar for the service of notices under Section 9(2) in Bellary Town. In view of the Tahsildar's letter under reference it may be very difficult for the village officers to attend to the service of these notices promptly. In the interest of the prompt and proper service of the notices, I suggest the appointment of a process server who may work under the supervision of the Village officers and the Tahsildar. He will serve the notices in conformity with the instruction and hand over the acknowledgments obtained from the parties to the village officers. After scrutinising them and having any omission or defects rectified, the village officers may submit them to the Taluk Office with their certificates wherever necessary, for transmission to the Range Officer.

The service of the notices for the 14 wards will take a process server about 2 months. His pay will be drawn from the temporary advance in this office and sent to him. The man selected should be a literate and local man who knows the town, but this appointment would require the sanction of the Board.

Please therefore request the Collector to address the Board for the appointment of a process server for 2 months explaining the circumstances.
